## CAMP CAN-DO TIMES

2021

## Summer Classes and Adventures

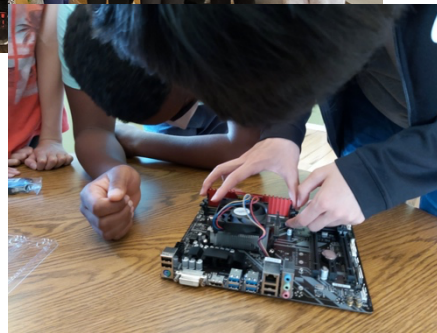

## SHINE BRIGHTER

As Shining Stars, staff and campers embarked on a summer journey of letting their light shine in all aspects in and outside camp despite of COVID-19. "Neither do people light a lamp and put it under a bowl instead they put it on its stand, and it gives light to everyone in the house." (Matt. 5:15). This theme catalyzed interactive learning, caring for others, team building, unleashing creative juices, engaging in service stewardship, growing in areas of appreciating and accepting each other's differences, patience, kindness, and self-control.

Memories to last a lifetime!

# SOAR LIKE AN EAGLE

**Although this year was everything but ordinary, we decided to make the most of the situation to shine brighter!**
